

Dear Parent/Guardian,

Our afterschool program is dedicated to providing high-quality programming. In order to ensure that your child is experiencing the best programming we can deliver, our afterschool program participates in evaluation efforts with our partners. These efforts may include the following:

- Surveying and/or interviewing your child about our afterschool program and its effects, and
- Give periodic quizzes to your child to gauge our effectiveness in helping him or her learn new things.

Any information we collect will be used only to assess our afterschool program, not your child's progress. Participating in the evaluation will not affect your child in school, in afterschool, or in any other way. We will not use your name or your child's name in any report. Please return this form to the program coordinator/director only if you do not wish for your child to participate.

*NO, I DO NOT WANT MY CHILD TO PARTICIPATE. I have read the above information and I **DO NOT** give permission for my child to participate in the evaluation of our afterschool program.*
