*How many staff members do you intend to include in the professional development training? (minimum of 15):					
Trainings (Check the box next to the training topic you are interested in):			This training addresses:		
<input type="checkbox"/> Active Learning			Strategies for providing youth with a hands-on learning environment.		
<input type="checkbox"/> Ask-Listen-Encourage			Strategies for communication with and supporting youth.		
<input type="checkbox"/> Building Community			Strategies for fostering positive peer relationships and creating a strong sense of belonging.		
<input type="checkbox"/> Cooperative Learning			Strategies for creating and increasing youth involvement in small groups.		
<input type="checkbox"/> Global Graffiti Wall: Exploring and Embracing Our Uniqueness			Strategies for presenting youth with fun and stimulating transitional activities that allow them to explore themselves and the world around them.		
<input type="checkbox"/> Homework Help			Strategies for providing youth with effective study skills and organization habits.		
<input type="checkbox"/> Introduction to the Active-Participatory Approach			Strategies for effectively implementing elements from many of the youth worker method trainings.		
<input type="checkbox"/> Planning and Reflection			Strategies for supporting youth in planning, implementing, and evaluating activities and projects.		
<input type="checkbox"/> Reframing Conflict			Strategies to address conflict between youth in a positive manner.		
<input type="checkbox"/> STEM and the Magic of Inquiry-Based Learning			Strategies for sparking curiosity and cultivating an engaging environment for youth through inquiry-based learning. Practitioners will gain a greater insight into how this method can be implemented in any STEM (Science, Technology, Engineering, and Math) activity.		
<input type="checkbox"/> Structure and Clear Limits			Strategies for providing youth with structure and clear limits in their afterschool program.		
<input type="checkbox"/> Super Kids! A Guideline for Empowering Youth to be Heroes of Health			Strategies for empowering youth to cultivate a positive attitude about food, foster the love of exercise, and help them to build a positive self-image.		
<input type="checkbox"/> The Progressive Afterschool Practitioner			Strategies to heighten a practitioner's insight into their own professional development.		
<input type="checkbox"/> Youth Voice			Strategies for providing youth with choice and challenge within activities.		

Prime Time Palm Beach County, Inc. receives significant funding from the Children's Services Council of Palm Beach County.
