

AFTERSCHOOL PROFESSIONALS APPRECIATION WEEK

Prime Time Palm Beach County is celebrating Afterschool Professionals Appreciation Week, along with the National AfterSchool Association, to recognize, appreciate and advocate for those who work with young people during out-of-school hours. There are more than 10.2 million children participating in afterschool and an estimated 850,000 afterschool professionals who make a profound difference in the lives of these young people.

Prime Time wants to know what the children and youth in Palm Beach County love about their afterschool practitioners. Have the children and youth at your program answer this question below for your chance to win a \$25 gift card and an opportunity to be featured on our social media during Afterschool Professionals Appreciation week: April 19 - 24, 2021. Once completed, email this page to communications@primetimepbc.org by April 16, 2021 for your chance to win.

We are so grateful for everything you do for the children and youth in our community and cannot wait to hear what wonderful things they have to say.
